SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir/Madam:

The following Form 1449 and copies of each cited document
is being filed herewith as a Disclosure Statement submitted for the
Examiner's consideration.

The seventy-eight (78) cited documents are from a list of
eighty-four (84) provided by Samsung Electronic Corporation
("Samsung") in "PRIOR ART REFERENCE TO U.S. PATENT NO. 5,418,752."
The list is an attachment to the Samsung document "INVALIDITY CLAIM
CHART FOR U.S. PATENT NO. 5,418,752." Both the invalidity claim
chart and the attached list have previously been disclosed under
Section II.1.a) of the Supplement Information Disclosure Statement
filed on April 5, 1996.

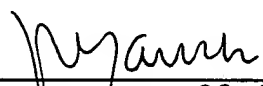

Six of the documents in the Samsung list of eight-four are not provided herewith because five of them, US 4,099,069, US 4,752,871, US 4,931,997, US 4,970,692 and R.Wilson's article have previously been disclosed with copies provided to the Patent Office. The sixth document, believed to be erroneously listed under its application number as "JP 59-157217" should really be -- JP 57-157217-- and is believed to be the duplicate of the document (publication number JP 59-45695) immediately above it.

Consideration of each of these documents by the Patent Examiner, and the making of each of them of record in the file of this application, are respectfully requested.

Respectfully submitted,

Dated: April 24, 1996
